REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 37 C.F.R. § 1.323

Sir:

Applicant respectfully requests a Certificate of Correction for the omission of formal drawings identified in the attached Certificate of Correction in the printing of U.S. Patent Number 6,935,229 B2, issued August 30, 2005. This omission occurred in good faith and without deceptive intent. It is believed that the formal drawings in the attached Certificate of Correction are substantially clearer and more legible and serve to render the patented subject matter more readily accessible to the reader and to prevent potential misinterpretation that might be caused by the limited legibility of the informal drawings that were printed. Correction of this omission would neither constitute new matter nor require reexamination. The fee of \$100.00 under 37 C.F.R. §1.20(a) is enclosed.
